In Other News...

On Wednesday, we took a whole school photo out front of our building. We could not fly a drone for an aerial shot because permission was revoked by the airport due to windy conditions. We have rescheduled the aerial photo for next Thursday. We hope all students will be in attendance and wear a bright red shirt. It looks so sharp!

Our competitive dance team competed in the finals on Wednesday night. Their routine was stunning and very original (not hip hop like most other top routines). You will have a chance to see them at the Centenary on the 31st! Congratulations to our dance team and their coaches!

Next week our grade 3 students will take their EQAO tests. The week after that is grade 6 EQAO. These tests give a snapshot of curriculum knowledge at the end of primary and junior divisions.

Reminders

Next Saturday is our Centenary Celebration! We are so excited to showcase our beautiful school and community! We hope you will join us!

Please remember that all drop-offs and pick-ups are at the back of the school. Please do not arrive late and use our front parking lot and the no parking zone. There are still several families arriving late daily and entering this area.
