- **Jan 22 SCC** @ 6 pm
- **Jan 23 No school** (PA DAY)
- **Jan 28 Snack Shack**

Front Parking Lot/ Kiss n Ride

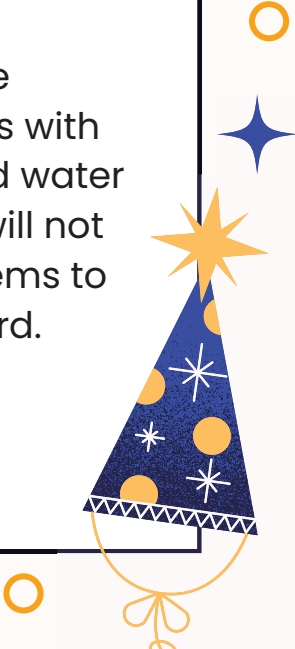

Please drop off and pick up your children on either Greta or Masson. This includes the times when you are late. Our front parking lot becomes congested and is not safe for families walking to and from school.

WELCOME BACK

Happy New Year! We hope everyone had a safe and happy holiday break. The first week back is always a refreshing time to get back to routines and set new goals.

It is a good time to connect with your children, talk about goal setting as we near the end of first term, and set goals for the rest of the school year. Sometimes this involves morning routines for a punctual and well-rested start to each school day.

Please ensure you are sending your students with cutlery in lunches and water bottles as the office will not be providing these items to students going forward.

Renovation Update

Over the winter break, our library and changeroom areas had walls and floors opened up and all asbestos removed. Air quality tests were completed and passed all inspections. Formal construction is due to start (Phase 1) at the end of January or beginning of February.

Kindergarten Registration for Fall 2026

If you have a child entering JK in the fall, or know someone in the community who has a little one, kindergarten registration is now in process. The DDSB website has a link to register. The earlier we know who is coming, the better we can plan!

SUNDAY
