Attendance

We are keeping close track of student punctuality and attendance. If you know your child will be absent, please do connect with the teachers for missed work. As of today, 77% of our students have been at school for 90% or more this school year. Well done! Let's keep working to improve being on time and at school every day. As a staff, we figured out that 90% amounts to approximately no more than 2 days off per month.

Parking

This is a reminder that our front parking lot on Simcoe is for STAFF ONLY. There is to be no pick up, drop off, childcare pick up or drop off. We have noticed a number of families accessing the parking lot, particular at the end of the day waiting to pick up their children. We ask that you please use our kiss and ride on Masson or park on the roads nearby. For childcare, please use Greta and the south parking lot (if there are spots available).
