Phillips Weekly

Friday October 2, 2026

Happy Friday! Thank you to all the parents who attended our first SCC meeting! What a fabulous group we have again this year! Tomorrow is our Fall Festival and we hope to see you all there! Don't forget to save tickets to throw a whipped cream pie in the face of the VP or Principal! Thank you to the many families who donated bake sale items and jazzy jars and to our committee who have contributed so much time and energy to this wonderful fall tradition.

School Goals for Success

In alignment with board and ministry goals, we are in the process of establishing school-specific target areas for improved achievement:

Attendance - this is not only being at school regularly and on time, this is being attentive, engaged and contributing to the learning environment. In other words, being "present".

Self Regulation - On an Ontario elementary report card, self-regulation is defined as a student's ability to manage their own emotions and behaviour, set goals, monitor their progress, and persevere through challenges - we will be teaching and assessing all these skills. These skills can also be taught and encouraged at home.

Academic Achievement - We continue to work on literacy and numeracy skills across the curriculum. We encourage you to connect with teachers to continue the learning at home by reading together, studying for assessments, completing unfinished classwork and practicing relevant math skills. These fundamental years are preparing your children for the the best opportunities later in life.

Arts Opportunities:
